PHILOSOPHY

3-pronged investment philosophy based on:

- **Financial strength**
A strong balance sheet to survive and thrive in periods of unexpected volatility.
- **Ability to grow**
Potential long-term compounding and seeks to avoid the risk of value-traps.
- **Valuation.**
Valuation always matters. 3 to 5-year price targets seek 30%-50% CAGR returns.

- For informational purposes only. Not a recommendation or investment advice. As with all investing, there is a risk of loss and no guarantee that the strategy will be profitable.
- The Russell 2500™ Value-Dynamic Index® measures the performance of the small to mid-cap value-dynamic segment of the US equity universe. It includes Russell 2500 Index companies with relatively lower price-to-book ratios, lower I/B/E/S forecast medium term (2 year) growth and lower sales per share historical growth (5 years) and relatively less stable business conditions that are more sensitive to economic cycles, credit cycles, and market volatility based on their stability variables.
